ACADEMIC SESSION (2009-10)

SCHEDULE OF TRAINING (JAN-JUNE 2010)

November 01, 2009

Dear Recruiter,

Season's Greetings from IHTM-MDU Rohtak !!!!!

You will be happy to know that Institute of Hotel & Tourism Management (IHTM), University Campus, M.D University Rohtak – Haryana, is now ready for internships (Jan – June 2010) for the students enrolled in BBA – Hospitality Management BBA(HM) Programme.

The Three Year BBA (HM) Programme is designed in a way that it shapes the young aspirants with an academic input of Hospitality, Tourism & Management in the three years inspired by research to develop the skilled manpower for Industry.

Innovations sprouts form the fertile ground of enquiry. Among the competitive academics, something is a miss if a student does not get experience in the Industry. ***The third semester of BBA(HM) is dedicated for Industrial Exposure Training (Jan – June)***. Thus giving an ample opportunity to employer and employee to know each other well in a sophisticated industry like Hospitality & Tourism where manpower is utmost important.

It would be out of place if we forget to tell you that M.D University Rohtak (Established in 1976) is a state government University of Haryana and is known for its academic standards. IHTM is a newly sprung Institute (2007) in this University, catering to the educational needs of Haryana including National Capital Region.

We look forward to invite you for campus interviews for internships as per your convenience in November/ December 2009. Needless to say IHTM would be happy to organize pre internship talks, which provide an excellent opportunity to the students & recruiters to interact. It also gives opportunity to the corporate to create a first hand impression about their company and attract appropriate candidates for their requirements. I and my colleagues would be happy to assist you for the abovesaid.

Rohtak is just 70 KMS away from Delhi, the capital of India. However should you wish we can send the students for interviews at your office in Delhi/ NCR as well. Although we encourage the companies to visit our campus so as to actually see the learning place & academic environment at MDU.

A brief profile of our students is attached herewith for your reference.

Looking forward for your reply & keen to meet you at Rohtak.

Thanking You

Yours in Service

Prof. Daleep Singh
