Message from Director

The placement cell at Institute of Hotel & Tourism Management – Maharshi Dayanand University Rohtak (IHTM-MDU) offers recruiters access to an unparallel bouquet of talent and experience. Our students are hand picked by faculty members from the urban as well as remote areas of Haryana as well other parts of India. While their age, experience and academic backgrounds may vary, one common characteristic is the zeal to excel in the chosen field of activity. The case based pedagogy at IHTM helps the students further develop their decision making skills. Many of our alumni have attained leadership positions in corporate as well as government, NGO and social service sectors.

Recruitment at IHTM offers you the choice of a variety of programmes to search for your firm's talent needs. If your firm needs bright young hospitality & Tourism management graduates you would meet some of the finest in our BBA(Hospitality Management) & Bachelor of Tourism Management students . If your firm is looking for seasoned campaigners ready to take on roles in Operations and junior management in a variety of roles and industries and hit the ground running, you would find them in our Master of Hotel Management & Master of Tourism Management students.

If you need sector specific talent in Food & Beverages Services, our One Year Diploma in F&B services students would be the first place to consider. And if you are looking for analytical researchers focusing on a specific functional domain, you might seek help from our faculty team. This breadth of talent is perhaps unparalleled not merely in Haryana but in India, making it the first stop in your recruitment process. We are confident that you would not need to look any further.
