Sub: Admissions for the session 2014-15.

Sir,

This bears reference to this office letter No. CB-1/104/2014/22821 dated 25.08.14 vide which you were requested to keep the admissions process of B.A. 1st year and B.Sc. (Medical & Non-Medical) 1st year courses, in abeyance till an enquiry is got conducted by the University.

In this regard it is to inform you that a number of representations have been received in the office, wherein it has interalia been submitted that the decision of the College administration to get the seats fixed is against the aims and objects of the Trust for the purpose for which it was established by the farsighted people & donors of the Bhiwani Vaish Smaj. In addition to this a number of students delegations met the Vice-Chancellor with the request not to consider the proposal of the College administration to fix the seats in the above said courses. Considering the matter in its totality, the Vice-Chancellor has ordered that the college administration may be asked to make admissions as per details give below and has further instructed not to use the building space of grant-in-aid courses by SFS courses :-
