

**INSTITUTE OF MANAGEMENT STUDIES AND RESEARCH**  
**MAHARSHI DAYANAND UNIVERSITY, ROHTAK**  
(A State University Established Under Haryana Act No. XXV of 1975)  
NAAC Accredited 'A' Grade

**DR RAMPHUL OHLAN**

**Position Held**

Associate Professor and Head, Department of Economics  
Central University of Haryana, Mahendergarh, Haryana,  
2015-16.

**Dr. Ramphul Ohlan** has worked as Head, Department of Economics, Central University of Haryana, Mahendergarh, Haryana, India. He has a Ph.D. in Economics from Department of Economics, Kurukshetra University, Kurukshetra, India. He has successfully completed six post-doctoral research projects sponsored by national funding agencies. He has also been awarded three times Dr. Sarvepalli Radhakrishnan Fellowship by Radhakrishnan Foundation, Maharshi Dayanand University, Rohtak. He has successfully guided three PhD scholars. Professor Ohlan has published his theoretical as well as applied research work independently in international journals of repute such as *Energy Sources, Part B: Economics, Planning, and Policy* (Taylor & Francis), *Strategic Planning for Energy and the Environment*, (Taylor & Francis), *OPEC Energy Review* (John Wiley & Sons), *Natural Hazards* (Springer), *Social Indicators Research* (Springer), *Future Business Journal* (Elsevier), *South Asia Research* (Sage), *South Asian Survey* (Sage), *Foreign Trade Review* (Sage), *Journal of Land and Rural Studies* (Sage), *International Journal of Trade and Global Markets* (Inderscience). His books include: (1) *Generalizations of Fuzzy Information Measures*, Springer, (2) "WTO and Indian Agriculture", Global Research Publications, New Delhi, India, and (3) "Globalization and Dairy Industry", Printed by Thomson Press. His research work is cited widely in numerous high quality well known academic journals rated in terms of Thomson Reuters Impact Factor. <https://scholar.google.co.in/citations?user=3vpi9qQAAAAJ&hl=en&oi=ao>

He has to his credit 14 years of industry, research and teaching experience at Doctoral and Post Graduate levels at various Universities and firms. He has also been a faculty at the erstwhile Department of Business Economics, Guru Jambheshwar University of Science and Technology, Hisar-Haryana, India; and Guru Arjan Dev Institute of Management & Information Technology, Delhi, India. His areas of interest in research and teaching include: Agricultural Economics and Environmental Economics. He is always ready to serve his University in any way for the improvement in the academic, administrative and social culture. His dedication to improvement in quality of education is amply brought out from regular contribution in academic journals and organization of free-of-charge authenticated faculty and research scholars development programmes, conferences and seminars on emerging developmental issues.

## **Research Papers Communicated for Publication**

1. Has Demonetization Hit Employment in India?
2. Are Regional Crime Rates in India Really Natural?

## **Ongoing Work**

A Network Analysis of the Intellectual Structure of Research in Hospitality Management

## **Creating an Innovative Learning Environment**

He creates an innovative learning environment using information and communication technology in classroom. He connects text material with current real world examples. He also offers flexibility, ubiquity and connectedness to students.

## **Outline on Most Significant Contribution to Research**

By producing good quality research output Prof. Ohlan has set examples for improvement in the quality of research in India. His publications have improved the existing literature on numerous issues like implications of WTO for Indian agriculture, role of globalization in increasing trade in dairy products, impact of demonetization on foreign tourist arrivals in India, role of renewable and non-renewable energy in economic growth, impact of population density on carbon emission, elasticity of economic growth with tourism, electricity and trade openness, India's comparative advantage in farm trade, etc. His research work has offered new insights for policymakers to articulate comprehensive economic, trade, energy policies to sustain long-run economic growth and to design sustainable business strategies.

## **Roadmap for Teaching and Research for the Next Five Years**

His roadmap for teaching and research for the next five years is as follows:

- Introducing ICSSR sponsored IMPRESS (Impactful Policy Research in Social Science) and UGC sponsored SAP (Special Assistance Programme) in the Department.
- Organizing capacity building programme for faculty members so that they can contribute in Science Citation Indexed (SCI) journals.
- Each PhD holder should have at least one research paper published in the journal indexed in Science Citation Index (SCI).
- Introducing research project work in Master level courses

- Updating knowledge of students by organizing conferences on emerging issues. Introducing new programs in the Department like PG Certificate in International Business and Finance, MDP on Management of Pricing, MDP on Management of Agricultural Business, MDP on Business Analytics in a Big Data World, Certificate Programme in Export Import Management, Certificate Programme in Capital & Financial Markets, Certificate Programme in Global Trade Logistics And Operations, etc.

### **Vision for the Institution for the Next Five Years**

For leading institution for good quality teaching and research, I would like to develop the department much more than an institution for minting degrees and launching careers. It will be a place where minds will be shaped, lifelong friendships be formed and ideas will be born and tested. It would be a social and intellectual hub of one of India's leading public universities. My dream is to see Department working at par with Indian Institute of Foreign Trade, Delhi, and Delhi School of Economics, University of Delhi, Delhi, etc.

### **Hobbies**

My hobbies include Swimming, Yoga, Running and Wrestling.

### **Human Values**

The set of human values in which I believe in my real life covers trustworthiness, empathy, passion, respect, stability, patience, kindness, selflessness, leadership, open-mindedness, persistence, courage, intelligence, strength and reliability.

### **Ideology**

Commitment for the upliftment of poor, unprivileged and downtrodden is in the DNA of Prof. Ohlan. The reflection of this ideology can be seen in his research work as well. He enjoys a missionary zeal in help of needy and dedicated students.

### **Miscellaneous Information/Readiness for Other Non-Teaching Activities/Responsibilities**

Vice-Chancellor, Director Research, Dean Academic Affairs, Dean of Faculty, Director Internal Quality Assurance Cell, Head of Department, etc.

Jai Hind.
