I am directed to invite your attention to the Government instructions indicated in the margin on the subject noted above and in supersession of these instructions, it is intimated that the State Government has reconsidered its reservation policy and has decided to give reservation in direct recruitment under Government/ Government Undertakings & Local Bodies and in admission in Government/ Government aided

educational/ technical/ Professional institutions as well for Special Backward Classes and Economically Backward Persons in General Castes Category in exclusion to the reservation already being provided to the Backward Classes.

Henceforth the quantum of reservation for various categories in direct recruitment will be as under:-

**In case of direct recruitment in Class I & II Posts**

Sr. No	Category	Quantum of reservation	Roster points
(a)	Scheduled Castes	20%	4-8-14-18-24-28-34-38-42-50-54-58-64-68-74-78-84-88-94 and 100.
(b)	Backward Classes	10%	10-16-22-32-46-56-70-76-86 and 96.
(c)	Special Backward Classes	4%	25-49-75 and 99.
(d)	Economically Backward Persons in the General Castes Category	4%	23-47-73 and 97.

(e)	Ex-servicemen	5%	12-36-48-72 and 98.
(f)	Freedom fighters and their children/grand children.	2%	This reservation will be available only if quota reserved for Ex-servicemen or Backward Classes remains unfilled to that extent due to non-availability of suitable Ex-servicemen or their dependents or non-availability of suitable candidates from Backward Classes. Over all reservation either from the unfilled vacancies of Ex-servicemen or from the Backward Classes for Freedom Fighters/ their children/ grand children will remain limited to 2 % only. This benefit will be available to all grand children i.e. sons and daughters of sons and daughters (paternal as well as maternal) of the Freedom Fighters.

**In case of direct recruitment in Class III & IV Posts**

Sr. No	Category	Quantum of reservation	Roster points
(a)	Scheduled Castes	20%	5-10-15-20-25-30-35-40-45-50-55-60-65-70-75-80-85-90-95 and 100.
(b)	Backward Classes (A)	16%	6-12-19-26-32-38-44-49-56-62-68-74-79-86-92 and 99.
(c)	Backward Classes (B)	11%	9-18-27-36-46-54-63-72-81-89 and 98.
(d)	Special Backward Classes	10%	7-17-29-39-48-59-69-78-88 and 97.
(e)	Economically Backward Persons in the General Castes Category	10%	4-14-24-34-43-53-66-76-83 and 94.

**In case of promotion in Class III & IV Posts**

Sr. No	Category	Quantum of reservation	Roster points
(a)	Scheduled Castes	20%	4-8-14-18-24-28-34-38-42-50-54-58-64-68-74-78-84-88-92 and 100.

It is clarified that a single roster of 100 posts both for direct recruitment and promotion will be prepared as referred to above. This roster will continue from year to year till it is exhausted and thereafter a new roster will be prepared. The aforesaid benefit of reservation will be given till such time as the number of employees belonging to reserved categories in each cadre/grade does not come upto the prescribed percentage.

Where candidates belonging to Scheduled Castes/Scheduled Tribes are not available to fill up the vacancies reserved for them in direct recruitment, inspite of required number of advertisements i.e. two/three advertisements, the vacancies shall not be filled up by candidates other than belonging to these communities. This would mean that there will be no dereservation of vacancies meant for Scheduled Castes/Scheduled Tribes to be filled in by direct recruitment. This decision will be applicable on the vacancies

meant for Scheduled Castes/Scheduled Tribes existing on an and arising after 01.04.1989. In case of direct recruitment to the vacancies meant for Scheduled Castes and Scheduled Tribes in Class-I services in rare and exceptional cases whereafter the non availability of suitable Scheduled Castes/Scheduled Tribes Candidates, the posts can not be allowed to remain vacant in public interest, the Administrative Department will put up a proposal with full justification for dereservation before the Committee of Secretaries of the State Government, comprising of Chief Secretary, Finance Secretary and concerned Administrative Secretary. Only after obtaining the approval of this Committee, the vacancy(s) may be filled up by the candidates not belonging to the Scheduled Castes and Scheduled Tribes Candidates.

Reserved posts not filled by the candidates belonging to reserved categories should be carried forward for two recruitment years. The recruitment year shall mean a calendar year and the two years limit for carry-forward, of reserved posts shall start from the year in which recruitments is actually made. The carry-forward would mean that if a sufficient number of suitable candidates eligible for reserved posts are not available from the appropriate classes in any year of recruitment, such posts should be treated as un-reserved and filled in as un-reserved posts but should be carried forward to subsequent years of recruitment so that posts then occurring may be filled in by the persons belonging to reserved categories. For example, if a requisition for filling up of five posts of clerks, is sent to the Haryana Staff Selection Commission in the month of January, 1977 and the recommendations of the Board are received in March, 1978 but the Commission could not recommend any candidate against the reserved post, then the reserved posts would be carried forward for a period of two years viz 1979 and 1980. In this connection, it is further clarified that, in future the carried forward reserved posts would be available together with the current posts for utilization even when the total number of such reserved posts exceeds 50% of the posts filled in that year provided that the overall representation of Scheduled Castes/Backward Classes in the total strength of the concerned cadre does not exceed the prescribed percentage of reservation.

In case a single post arises in the initial recruitment year and it falls at a reserved point in the roster, it has to be treated as un-reserved and filled accordingly in that year but the reservation would be carried forward to subsequent years. In the first subsequent year if again a single posts occurs then it should be treated as reserved against the reservation carried forward from the initial recruitment year and a candidate from the reserved category should be appointed against that post inspite of the fact that the post happens to be the only post in that recruitment year. In the event of a candidate belonging to reserved categories not being available to fill the reserved post in the subsequent year also, the reservation should be carried forward further to the

subsequent year. When also a single post, if any, arises in that year it should be treated as reserved against the carried forward reservation whereafter the reservation will lapse e.g. a single vacancy occurs in any cadre of a particular department of the State which falls at a reserved point, that single post shall not be treated as reserved. But the single subsequent vacancy shall be treated as reserved and in case a candidate (belonging to Scheduled Castes) for the reserved seat is not available the post shall be treated as reserved for the next two years under the carry-forward formula. The year in which no post arises is to be ignored for the purpose of counting the effective year towards the period of carry forward.

In the case of posts to be filled up by way of promotion the benefit of reservation should be given where the basis of promotion is seniority-cum-merit and the benefit of reservation should not be made available where promotion is to be given on the basis of seniority-cum-fitness.

Instructions issued by the Welfare of Scheduled Castes & Backward Classes Department issued vide its letter No. 213-SW(1)-2010 dated 31.08.2010 regarding exclusion of Socially advanced persons/sections (Creamy Layer) should be kept in view while extending the benefit of reservation to Backward Classes.

For providing the benefit of reservation to Special Backward Classes, the criteria shall be same as is applicable to Backward Classes in the State and other instructions issued by the Government from time to time. It is also clarified that once a member of a family of Special Backward Classes gets benefit of reservation, his descendants will not get benefit of reservation. The criteria for exclusion of creamy layer for Special Backward Classes will be same as applicable for the reservation in Backward Classes.

The criteria for consideration as Economically Backward Persons in the General Castes category will be as under:-

- i. 'Family' for the purpose of the applicant seeking reservation as 'Economically Backward' is defined as follows:-
  - (a) Head of Family and his/her spouse;
  - (b) Dependant children and their spouses;

- ii. The total annual income of the family of the applicant should not cumulatively exceed Rs. 2,50,000/- per annum from all sources including agricultural income.
- iii. In case any person in the family, as described in (i) above, is income-tax/wealth tax payee, benefit of reservation shall not be extended.
- iv. Applicant or family as described in (i) above should not be in Class-I/ Class-II services of Government of India or State Government level or equivalent or hold any equivalent post in any statutory board/ corporation/ university/ society/ trust or an equivalent position in any public/private limited company or in any International organization.

- v. In case, family as described in (i) above, is engaged in a profession as doctor, lawyer, chartered accountant, income-tax consultant, financial or management consultant, engineer, architect, computer specialist, film/TV artist, play write, author, model, media personnel or holds any elected/appointed office either under the Constitution or in terms of any statute out of which emolument/salary is paid, criteria of income as described in (ii) above shall be applicable.
- vi. Family, as described above, should not be employed in any Military or para-Military services with Union of India in the rank of Second Lieutenant or above in the Army or any equivalent rank in other forces or para-Military forces.
- vii. The person who claims benefit of reservation under other categories shall not be entitled to claim benefit of reservation in this category.

In addition there will be horizontal reservation for Ex-Servicemen/ Freedom Fighters/ Outstanding Sports Persons as under:-

**In case of direct recruitment in Class III & IV Posts**

Sr. No	Category	Quantum of reservation	Roster points
(a)	Ex-servicemen (SC)	2%	20 and 60.
(b)	Ex-servicemen (BC 'A')	2%	19 and 44.
(c)	Ex-servicemen (BC 'B')	3%	27-54 and 81.
(d)	Ex-servicemen (General)	7%	8-16-37-52-64-73 and 84.

(g)	Outstanding Sports Persons (General)	1%	91.
(h)	Freedom fighters and their children/grand children.	2%	This reservation will be available only if quota reserved for Ex-servicemen or Backward Classes remains unfilled to that extent due to non-availability of suitable Ex-servicemen or their dependents or non-availability of suitable candidates from Backward Classes. Over all reservation either from the unfilled vacancies of Ex-servicemen or from the Backward Classes for Freedom Fighters/ their children/ grand children will remain limited to 2 % only. This benefit will be available to all grand children i.e. sons and daughters of sons and daughters (paternal as well as maternal) of the Freedom Fighters.

A copy each of the list of Scheduled Castes, Backward Classes (Block 'A' & 'B') and Special Backward Classes in Haryana is enclosed at Annexure 'A', Annexure 'B' and Annexure 'C'.

As per provisions contained in the Persons with Disabilities (Equal Opportunities, Protection of Rights & Full Participation) Act, 1995 and clarifying certain issues including procedural matters, the following provisions are made with regard to reservation for persons with disabilities (physically handicapped persons) in posts and services under the Government of Haryana. These instructions shall supersede all previous instructions issued on the subject so far.

#### **QUANTUM OF RESERVATION**

Three percent of the vacancies in case of direct recruitment to Group A, B, C & D posts shall be reserved for persons with disabilities of which one per cent each shall be reserved for persons suffering from (i) blindness or low vision, (ii) hearing impairment and (iii) locomotor disability or cerebral palsy in the posts identified for each disability.

#### **EXEMPTION FROM RESERVATION:**

If any Department considers it necessary to exempt any establishment partly or fully from the provision of reservation for persons with disabilities, it may make a reference to the Department of Social Justice and Empowerment giving full justification for the proposal. The grant of exemption shall be considered by an Inter Departmental Committee set up by the Department of Social Justice and Empowerment constituted vide their notification No 611/SW(4)2011, dated 3.8.2011.

#### **IDENTIFICATION OF JOBS/POSTS:**

The Department of Social Justice and Empowerment has identified the jobs/posts suitable to be held by persons with disabilities and the physically requirement for all such jobs/posts identified shall be used to give effect to 3 per cent reservation to the persons with disabilities. It may, however, be noted that:

- i) The nomenclature used for any job/post shall mean and include nomenclature used for other comparable jobs/posts having identical functions.
- ii) The list of jobs/posts notified by the Department of Social Justice & Empowerment is not exhaustive. The concerned Departments shall have the discretion to identify jobs/posts in addition to the jobs/posts already identified by the Department of Social Justice & Empowerment. However, no Department/Establishment shall exclude any identified job/post from the purview of reservation at its own discretion.
- iii) If a job/post identified for persons with disabilities is shifted from one group or grade to another group or grade due to change in the pay-scale or otherwise, the job/post shall remain identified.

**RESERVATION IN POSTS IDENTIFIED FOR ONE OR TWO CATEGORIES:**

If a post is identified suitable only for one category of disability, reservation in that post shall be given to persons with that disability only. Reservation of 3% shall not be reduced in such cases and total reservation in the post will be given to persons suffering from the disability for which it has been identified. Likewise in case the post is identified suitable for two categories of disabilities, reservation shall be distributed between persons with those categories of disabilities equally, as far as possible. It shall, however, be ensured that reservation in different posts in the establishment is distributed in such a way that the persons of three categories of disabilities, as far as possible, get equal representation.

**APPOINTMENT AGAINST UNRESERVED VACANCIES:**

In the posts which are identified suitable for persons with disabilities, a person with disability cannot be denied the right to compete for appointment against an unreserved vacancy. Thus a person with disability can be appointed against an unreserved vacancy, provided the post is identified suitable for persons with disability of the relevant category.

**ADJUSTMENT OF CANDIDATES SELECTED ON THEIR OWN MERIT:**

Persons with disabilities selected on their own merit without relaxed standards alongwith other candidates, will not be adjusted against the reserved share of vacancies. The reserved vacancies will be filled up separately from amongst the eligible candidates with disabilities which will thus comprise physically handicapped candidates who are lower in merit than the last candidate in merit list but otherwise found suitable for appointment, if necessary, by relaxed standards. It will apply in case of direct recruitment only, wherever reservation for persons with disabilities is admissible.

**DEFINITIONS OF DISABILITIES:**

Definitions of categories of disabilities for the purpose of these instructions are given below:

- (1) (a) **Blindness:** "Blindness" refers to a condition where a person suffers from any of the following conditions, namely:-
- i) total absence of sight; or
  - ii) visual acuity not exceeding 6/60 or 20/200 (snellen) in the better eye with correcting lenses; or
  - iii) limitation of the field of vision subtending an angle of 20 degree or worse;

**(b) Low vision:**

"Person with low vision" means a person with impairment of visual functioning even after treatment or standard refractive correction but who uses or is potentially capable of using vision for the planning or execution of a task with appropriate assistive device.

**(2) Hearing Impairment:**

"Hearing Impairment" means loss of sixty decibels or more in the better ear in the conversational range of frequencies.

**(3) (a) Locomotor disability:** "Locomotor disability" means disability of the bones, joints or muscles leading to substantial restriction of the movement of the limbs or any form of cerebral palsy.

**(b) Cerebral Palsy:** "Cerebral Palsy" means a group of non-progressive conditions of a person characterised by abnormal motor control posture resulting from brain insult or injuries occurring in the pre-natal, peri-natal or infant period of development.

**(c)** All the cases of orthopaedically handicapped persons would be covered under the category of "locomotor disability or cerebral palsy."

**DEGREE OF DISABILITY FOR RESERVATION:**

Only such persons would be eligible for reservation in services / posts who suffer from not less than 40 per cent of relevant disability. A person who wants to avail of benefit of reservation would have to submit a Disability Certificate issued by a competent authority in the format given in Annexure 'D'.

**COMPETENT AUTHORITY TO ISSUE DISABILITY CERTIFICATE:**

The competent authority to issue Disability Certificate shall be a Medical Board duly constituted by the State Government. The State Government may constitute Medical Board(s) consisting of at least three members out of which at least one shall be a specialist in the particular field for assessing locomotor / cerebral/visual / hearing disability, as the case may be.

The Medical Board shall, after due examination, give a permanent disability certificate in cases of such permanent disabilities where there are no chances of variation in the degree of disability. The Medical Board shall indicate the period of validity of the certificate, in cases where there are chances of variation in the degree of disability. No refusal of disability certificate shall be made unless an opportunity is given to the applicant of being heard. On representation by the applicant, the Medical Board may review its decision having regard to all the facts and circumstances of the case and pass such orders in the matter as it thinks fit.

At the time of initial appointment against a vacancy reserved for persons with disability, the appointing authority shall ensure that the candidate is eligible to get the benefit of reservation.

**COMPUTATION OF RESERVATION:**

Reservation for persons with disabilities in case of Group C and Group D posts shall be computed on the basis of total number of vacancies occurring in all Group C or Group D posts, as the case may be, in the establishment, although the recruitment of the persons with disabilities would only be in the posts identified suitable for them. The number of vacancies to be reserved for the persons with disabilities in case of direct recruitment to Group 'C' posts in an establishment shall be computed by taking into account the total number of vacancies arising in Group 'C' posts for being filled by direct recruitment in a recruitment year both in the identified and non-identified posts under the establishment. The same procedure shall apply for Group 'D' posts. Since reservation is limited to identified posts only and number of vacancies reserved is computed on the basis of total vacancies (in identified posts as well as unidentified posts), it is possible that number of persons appointed by reservation in an identified post may exceed 3 percent.

Reservation for persons with disabilities in Group 'A' posts shall be computed on the basis of vacancies occurring in direct recruitment quota in all the identified Group 'A' posts in the establishment. The same method of computation applies for Group 'B' posts.

**EFFECTING RESERVATION -MAINTENANCE OF ROSTERS:**

- a) All establishments shall maintain separate 100 point reservation roster registers in the format given in Annexure 'E' for determining / effecting reservation for the disabled -one each for Group 'A', 'B', 'C' and 'D' posts filled by direct recruitment.
- b) Each register shall have cycles of 100 points and each cycle of 100 points shall be divided into three blocks, comprising the following points:
  - 1st Block -point No.1 to point No.33
  - 2nd Block -point No.34 to point No.66
  - 3rd Block -point No.67 to point No.100
- c) Points 1, 34 and 67 of the roster shall be earmarked reserved for persons with disabilities -one point for each of the three categories of disabilities. The head of the establishment shall decide the categories of disabilities for which the points 1, 34 and 67 will be reserved keeping in view all relevant facts.
- d) All the vacancies in Group C posts falling in direct recruitment quota arising in the establishment shall be entered in the relevant roster register. If the post falling at point no.1 is not identified for the disabled or the head of the establishment considers it desirable not to fill it up by a disabled person or it is not possible to fill up that post by the disabled for any other reason, one of the vacancies falling at any of the points from 2 to 33 shall

be treated as reserved for the disabled and filled as such. Likewise a vacancy falling at any of the points from 34 to 66 or from 67 to 100 shall be filled by the disabled. The purpose of keeping points 1, 34 and 67 as reserved is to fill up the first available suitable vacancy from 1 to 33, first available suitable vacancy from 34 to 66 and first available suitable vacancy from 67 to 100 by persons with disabilities.

- e) There is a possibility that none of the vacancies from 1 to 33 is suitable for any category of the disabled. In that case two vacancies from 34 to 66 shall be filled as reserved for persons with disabilities. If the vacancies from 34 to 66 are also not suitable for any category, three vacancies shall be filled as reserved from the third block containing points from 67 to 100. This means that if no vacancy can be reserved in a particular block, it shall be carried into the next block.
- f) After all the 100 points of the roster are covered, a fresh cycle of 100 points shall start.
- g) If the number of vacancies in a year is such as to cover only one block or two, discretion as to which category' of the disabled should be accommodated first shall vest in the head of the establishment, who shall decide on the basis of the nature of the post, the level of representation of the specific disabled category in the concerned grade/post etc.
- h) Reservation in Group A and Group B posts is determined on the basis of vacancies in the identified posts only. Separate rosters for Group A posts and Group B posts in the establishment shall be maintained. In the rosters maintained for Group A and Group B posts, all vacancies of direct recruitment arising in identified posts shall be entered and reservation shall be effected the same way as explained above.

**INTER SE EXCHANGE AND CARRY FORWARD OF RESERVATION IN CASE OF DIRECT RECRUITMENT:**

- a) Reservation for each of the three categories of persons with disabilities shall be made separately. But if the nature of vacancies in an establishment is such that a person of a specific category of disability cannot be employed, the vacancies may be interchanged among the three categories with the approval of the Department of Social Justice & Empowerment and reservation may be determined and vacancies filled accordingly.
- b) If any vacancy reserved for any category of disability cannot be filled due to non-availability of a suitable person with that disability or, for any other sufficient reason, such vacancy shall not be filled and shall be carried forward as a 'backlog reserved vacancy' to the subsequent recruitment year.
- c) In the subsequent recruitment year the 'backlog reserved vacancy' shall be treated as reserved for the category of disability for which it was kept reserved in the initial year of recruitment. However, if a suitable person with that disability is not available, it may be filled by interchange among the three categories of disabilities. In case no suitable person with disability is available for filling up the post in the subsequent year also, the employer may fill up the vacancy by appointment of a person other than a person with disability. If the vacancy is filled by a person with disability of the category for which it was reserved or by a person of other category of disability by inter se exchange in the subsequent recruitment year, it will be treated to have been filled by reservation. But if the vacancy is filled by a person other than a person with disability in the subsequent recruitment year, reservation shall be carried forward for a further period upto two recruitment years whereafter the reservation shall lapse. In these two subsequent years, if situation so arises, the procedure for filling up the reserved vacancy shall be the same as followed in the first subsequent recruitment year.

In order to ensure that cases of lapse of reservation are kept to the minimum, any recruitment of the disabled candidates shall first be counted against the additional quota brought forward from previous years, if any, in their chronological order. If candidates are not available for all the vacancies, the older carried forward reservation would be filled first and the relatively later carried forward reservation would be further carried forward.

**HORIZONTALITY OF RESERVATION FOR PERSONS WITH DISABILITIES:**

Reservation for backward classes of citizens (SCs and BCs) is called vertical reservation and the reservation for categories such as persons with disabilities and ex-servicemen is called horizontal reservation. Horizontal reservation cuts across vertical reservation (in what is called inter-locking reservation) and persons selected against the quota for persons with disabilities have to be placed in the appropriate category viz. SC/BC/General candidates depending upon the category to which they belong in the roster meant for reservation of SCs/BCs. To illustrate, if in a given year there are two vacancies reserved for the persons with disabilities and out of two persons with disabilities appointed, one belongs to a Scheduled Caste and the other to general category then the disabled SC candidate shall be adjusted against the SC point in the reservation roster and the general candidate against unreserved point in the relevant reservation roster. In case none of the vacancies falls on point reserved for the SCs, the disabled candidate belonging to SC shall be adjusted in future against the next available vacancy reserved for SCs.

Since the persons with disabilities have to be placed in the appropriate category viz. SC/BC/ General in the roster meant for reservation of SCs/BCs, the application form for the post should require the candidates applying under the quota reserved for persons with disabilities to indicate whether they belong to SC/BC or General category.

**RELAXATION IN AGE LIMIT :**

- i) Upper age limit for persons with disabilities shall be relaxable (a) by ten years ( 15 years for SCs/BCs) in case of direct recruitment to Group 'C' and 'D' posts (b) by 5 years (10 years for SCs/BCs) in case of direct recruitment to Group 'A' and Group 'B' posts where recruitment is made otherwise than through open competitive examination; and (C) by ten years (15 years for SCs/BCs) in case of direct recruitment to Group 'A' and Group 'B' posts through open competitive examination.
- ii) Relaxation in age limit shall be applicable irrespective of the fact whether the post is reserved or not, provided the post is identified suitable for persons with disabilities.

**RELAXATION OF STANDARD OF SUITABILITY:**

If sufficient number of persons with disabilities are not available on the basis of the general standard to fill all the vacancies reserved for them, candidates belonging to this category may be selected on relaxed standard to fill up the remaining vacancies reserved for them provided they are not found unfit for such post or posts. Thus, to the extent the number of vacancies reserved for persons with disabilities cannot be filled on the basis of general standards, candidates belonging to this category may be taken by relaxing the standards to make up the deficiency in the reserved quota subject to the fitness of these candidates for appointment to the post / posts in question.

**MEDICAL EXAMINATION:**

As per Rules/instructions, every new entrant to Government Service on initial appointment is required to produce a medical certificate of fitness issued by a competent authority. In case of medical examination of a person with disability for appointment to a post identified as suitable to be held by a person suffering from a particular kind of disability, the concerned Medical Officer or Board shall be informed beforehand that the post is identified suitable to be held by persons with disability of the relevant category and the candidate shall then be examined medically keeping this fact in view.

**EXEMPTION FROM PAYMENT OF EXAMINATION FEE AND APPLICATION FEE:**

Persons with disabilities shall be exempted from payment of application fee and examination fee, prescribed in respect of competitive examinations held by the Haryana Staff Selection Commission (HSSC), the Haryana Public Service Commission (HPSC) etc. for recruitment to various posts. This exemption shall be available only to such persons who would otherwise be eligible for appointment to the post on the basis of standards of medical fitness prescribed for that post (including any concession specifically extended to the disabled persons) and who enclose with the application form, necessary certificate from a competent authority in support of their claim of disability.

**NOTICE OF VACANCIES:**

In order to ensure that persons with disabilities get a fair opportunity in consideration for appointment to an identified post, the following points shall be kept in view while sending the requisition notice to the Employment Exchange, the HSSC, the HPSC etc. and while advertising the vacancies:-

- i) Number of vacancies reserved for SCs/BCs/Ex-Servicemen/Persons suffering from Blindness or Low Vision/Persons suffering from Hearing

Impairment/ Persons suffering from Locomotor Disability or Cerebral Palsy should be indicated clearly.

- ii) In case of vacancies in posts identified suitable to be held by persons with disability, it shall be indicated that the post is identified for persons with disabilities suffering from blindness or low vision; hearing impairment; and/or locomotor disability or cerebral palsy, as the case may be, and that the persons with disabilities belonging to the category/categories for which the post is identified shall be allowed to apply even if no vacancies are reserved for them. Such candidates will be considered for selection for appointment to the post by general standards of merit.
- iii) In case of vacancies in posts identified suitable for persons with disabilities, irrespective of whether any vacancies are reserved or not, the categories of disabilities viz blindness or low vision, hearing impairment and locomotor disability or cerebral palsy, for which the post is identified suitable alongwith functional classification and physical requirements for performing the duties attached to the post shall be indicated clearly.
- iv) It shall also be indicated that persons suffering from not less than 40% of the relevant disability shall alone be eligible for the benefit of reservation.

**CERTIFICATE BY REQUISITIONING AUTHORITY:**

In order to ensure proper implementation of the provisions of reservation for persons with disabilities, the requisitioning authority while sending the requisition to the HPSC, HSSC etc. for filling up of posts shall furnish the following certificate to the recruiting agency:-

"It is certified that the requirements of the Persons with Disabilities (Equal Opportunities, Protection of Rights & Full Participation) Act, 1995 and the policy relating to reservation for persons with disabilities has been taken care of while sending this requisition. The vacancies reported in this requisition fall at points no ..... of cycle no..... of 100 point reservation roster out of which ..... number of vacancies are reserved for persons with disabilities."

**ANNUAL REPORTS REGARDING REPRESENTATION OF PERSONS WITH DISABILITIES:**

- (i) Soon after the first of January of every year, each appointing authority shall send to its Administrative Department:-
  - a) PWD Report-I in the prescribed proforma (Annexure 'F') showing the total number of employees, total number of employees in the posts which have been identified suitable for persons with disabilities and number of employees suffering from blindness or low vision, hearing impairment, and locomotor disability or cerebral palsy as on the 1st January of the year, and
