

DEPARTMENT OF PHARMACEUTICAL SCIENCES

Subject: Change in M.Pharm. Counseling schedule

It is kindly submitted that the first counseling for admission to M.Pharm. Course was conducted on 24-7-13 and only limited number of GPAT qualified candidates was admitted. It is expected that no or very less migration of admitted candidates to other institutes is expected. Therefore, the remaining admissions have to be made on the basis of B.Pharm. %.

The department will have to conduct fourth counseling, as no candidates are available in SBC, EBP, BC, PH and SC categories (Copy of vacant seats after first counseling as Annexure A). These seats can be converted to general category only after third counseling. Under the presented situation, if the 3rd counseling is conducted on 27-8-13 as approved earlier, it may lead to loss of classes to the candidates who will be admitted on 3rd and 4th counseling.

In light of above the following change in the M.Pharm. Counseling schedule may be approved
