INTRODUCTION

About the Universty

Maharshi Dayanand University, Rohtak, initially known as Rohtak University, Rohtak was established in 1976 with the object to promote inter-disciplinary higher education and research. The University derives its name and identity from Maharshi Dayanand Saraswati, a great freedom fighter, renowned social reformer and progressive thinker of his time. In a span of 37 years, the University has progressed leaps and bound to emerge as a leading centre of higher education.

About Law Faculty

The Department of Law was established in the University in 1978. The Maharshi Dayanand University was the first University in the country to introduce the Five Year Integrated Law Course and has been running it successfully since 1983.

Theme of the Seminar

Social Justice has always been given high rank as an end of State & Govt. But, even after 66 years of independence, 12 Five Year Plans, hundreds of laws leading to a number of rules offering a variety of special facilities to the under privileged ranging from scheduled castes and tribes, to women in matters of education, employment, food, housing etc., social justice is far from reality. Thus, the concept of social justice needs to be studied and reviewed in all its dimensions and perspectives. The Seminar aims to create an awareness among the various sections of the society about law and social justice. The Seminar is an endeavour to bring together academicians, representatives of govt. and non-govt. organizations, researchers and other intellectuals to discuss and analyze the various aspects of Law & social justice.

In the scope of the theme of the Seminar, we suggest, the following sub-themes:

- (i) Social Inequality and Justice.
- (ii) Legal Education and Social Justice
- (iii) Economic Inequality and Justice
- (iv) Social Degradation and Law
- (v) Sustainable Development and Law
- (vi) Media Trial and Justice

Sub-themes mentioned above are only indicative. Participants can opt a precise title related to the broad theme of the Seminar.
