

### **ABOUT THE DEPARTMENT**

The Department of Microbiology was established in June, 2009, with objectives like providing education and training facilities, carrying out application oriented research, developing in-house technologies and promoting consultancy services in various areas of Microbiology. The department currently offers Two M. Sc. Courses viz. M.Sc. Microbiology, M.Sc. Microbial Biotechnology and Ph.D. programme in various areas of Microbiology.

### **ABOUT THE CONFERENCE**

The seminar will focus on various applications of modern bioprocess technology. The purpose of this one day seminar is to familiarize the students on current trends and the latest developments in the field of bioprocess technology. This technique is helpful for developing useful products by taking advantage of natural biological activities. Bioprocesses have become widely used in several fields of commercial biotechnology, such as production of enzymes. As techniques and instrumentation are refined, bioprocesses may have applications in other areas where chemical processes are now used. Work in bioprocess cuts across several industrial and service sectors including health, agriculture, aquaculture environment, forestry, law and commerce.

### **ABOUT UNIVERSITY**

Maharshi Dayanand University, Rohtak, came into existence by an Act No. 25 of 1975 of the Haryana Legislative Assembly in 1976 with the objective to promote inter-disciplinary higher education and research in the fields of environmental, ecological and life sciences. It was rechristened as Maharshi Dayanand University in 1977 and became an affiliating University in November 1978. The University is located at Rohtak in the state of Haryana - about 75 kms from Delhi on Delhi-Hisar National Highway (NH-10), and is about 240 kms from Chandigarh, the State Capital. The University campus, spread over an area of over 665.44 acres, is well laid with state-of-the-art buildings and magnificent road network, and presents a spectacle of harmony in architecture and natural beauty. Educational and research programmes are offered through its 36 departments.

Besides, the University runs some programmes through its Indira Gandhi P.G. Regional Centre, Meerpur (Rewari) and University Institute of Law & Management Studies (ULIMS), Gurgaon. The Regional Centre offers nine P.G. Programmes, while ULIMS offers two.
