

CALL FOR PAPERS

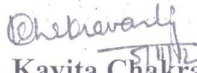

National Seminar
on
Indian Power Sector: Emerging Opportunities and Challenges
Department of Economics
Maharshi Dayanand University, Rohtak
(Established by the State Legislature Act XXV of 1975)

We shall be organizing a National Seminar on Indian Power Sector: Emerging Opportunities and Challenges on 23-24 November, which was to be held on 30-31 October 2012 under the auspices of the UGC's Special Assistance Programme (SAP) in Economics. The seminar will focus on:

1. **Current scenario of Indian power sector: national and state level**
2. **Key challenges of power sector**
3. **Key opportunities of power sector**

Research papers are invited for presentation, discussion and deliberations during the seminar. Full papers, not exceeding 5000 words (excluding tables and graphs), may be submitted through email: nationalsem2012@gmail.com by 15th November 2012. The paper may be in the nature of an encyclopedia contribution on the subject, i.e., to review and to appraise the current status and recent developments along with some original material so that it represents an advance in our understanding of the subject and place us at the frontier of knowledge.

All the papers would be scrutinized through Blind Referee Process. Only those papers which are approved by the referees shall be accepted for presentation in the Seminar. We also intend to subject these papers to the software of plagiarism. Selected papers shall be published in a book form.

Prof. Kavita Chakravarty
Coordinator-SAP
