CONTROLLER SECURITY

COMPLETE BAN ON VEHICLES WITH TINTED/OPAQUE GLASSES

The Vice-Chancellor has taken note of the presence of some vehicles with jet-black or darkly tinted glass windows on the campus. The Supreme Court of India has banned use of black films on the glasses of vehicles; as such it is against the law of the land. No one can be allowed to ply such vehicles inside the University Campus at any cost as providing safety and security to the campus users is one of the prime responsibilities of the institution. The apex court has acknowledged that the use of black films upon the vehicles gives immunity to the violators in committing a crime and is used as a tool of criminality, considerably increasing criminal activities. Therefore, the University reiterates disallowing entry of any such vehicle inside the campus.

All the students and functionaries of the University may note that no such vehicle shall be permitted to enter in the premises on any pretext. Any attempts to make forcible entry shall be strongly resisted and police action and further legal action shall be initiated against such persons.
