

MAHARSHI DAYANAND UNIVERSITY ROHTAK
GENERAL ADMINISTRATION BRANCH

FACILITIES AVAILABLE AT DAY CARE CENTRE

The Day Care Centre established by the University during last session in the premises of Health Centre has been functioning to provide facilities to the personnel of this institution at very nominal charges. The working persons can rely on the Centre for wellbeing of their kids between the age of 6 months and 5 years by leaving them here during all working days between working hours. The kids remain in safe hands under the patronage of the Professor Incharge, who regularly oversees the affairs of the Centre and guides the female staff members of the Centre. The Centre is well equipped to cater to all the basic requirements of the babies. Presently quite a number of registered toddlers and youngsters are being benefited by the Centre's caring, loving and affectionate personnel in the safe and healthy environs.

The Centre has potential to cater to more children of the University staff members on first come first serve basis under the University Welfare Scheme. The registration forms are available with the staff of the Centre that can be obtained during all working days. The parents intending to avail the facilities for their beloved ones are invited to visit the Centre and have a feel in person about the best rearing practices here.

Professor I/c.
