Open to students, faculty, and professionals, fellowships are being offered in the fields of Agricultural Sciences; Applied Economics; Education Policy and Practice; Energy Studies; International Security and Strategic Studies; Public Health Policy and Management; Public Policy (limited to science and technology policy); Science and Technology (limited to bioengineering, computer and mathematical sciences, and neurosciences); Study of India (limited to language/literature/linguistics, history, and visual and performing arts); Study of the United States (limited to language/literature/linguistics, history, and visual and performing arts); Urban and Regional Planning, and Gender Studies. Application due dates begin July 1, 2015. USIEF expects to offer approximately 100 Fulbright-Hellman fellowships for Indians in 2016-2017.

A brief outline of the fellowship programs is provided in the enclosed flyer. For details about the terms and conditions, application procedure and guidelines and the selection process, please visit the USIEF website www.usief.org.

I take this opportunity to thank your office for having designated Dr. R. Vinayek, Dean Academic Affairs, as the Fulbright Representative. We look to Dr. Vaish being an important point of contact for the students of your university with regard to information on the Fulbright Program. Dr. Vinayek will be responsible for publicity and recruitment materials from USIEF, which he can make available to prospective applicants at your institution. USIEF staff in coordination with Dr. Vinayek will organize outreach and mentoring programs for faculty and students. The USIEF point of contact is Dr. Sudarsan Dash, Senior Program Officer. Dr. Dash can be reached at sudarsan@usief.org.

USIEF thanks you for your support and cooperation in spreading the word about the Fulbright Program.

With best regards,

Sincerely,

Adam J. Grotsky
Executive Director
