We must appreciate and thank you for including Scouting and Guiding in B.ED curriculum , which is to be evaluated by the internal examiner (s).

SCJ

You may be aware that the State of Haryana occupies a prominent place in Scouting/Guiding on the map of India, with more than 7 lacs Scouts and Guides receiving education in the Educational Institutions spread over the State.

SCJ

We have designed a three-day Introductory Course in Scouting /Guiding for B.Ed students, keeping in view the requirement of the syllabus, in which Scouting /Guiding also figures.

A number of B.Ed Colleges have approached our State Association to help organise the three-day introductory courses for their pupil teachers. Last year, such courses were organised in a number of colleges with the help of well qualified experienced Trainers .

We send herewith a copy of letter meant for B.Ed Colleges with the request that you may kindly pass it on to the Colleges under your jurisdiction, so that those interested in availing of this opportunity may contact us for organising the aforesaid course in their institution .

With Scout Greetings and best wishes for a Happy New Year .

SUBJECT :- INTRODUCTORY COURSE IN SCOUTING AND GUIDING FOR D.ED. AND B.ED STUDENTS

Dear Principal,

You may be aware that Scouting is an educational Movement spread over 216 countries. It is the largest uniformed youth Organisation in the world. The mission of this organisation is to contribute to the education of young people and also to those studying in educational institutions through value based system on the Scout Promise and Law, to help build a better world where people are self fulfilled as individuals and play a constructive role in society.

Keeping in view the importance of Scouting and Guiding in teachers training, M.D.U., Kurukshetra and C. D.L. Universities have included Scouting and Guiding as one of the topics in D.ED/ B.ED curriculum, which is to be evaluated by the internal examiner(s).

We have, therefore, planned to organize a **three - day Introductory Course for the pupil teachers** of your institution on the dates suitable to you during the month of **November, December and January 2013-14. Qualified trainees will be awarded certificate** which will enable them to run CUB/Bulbul and Scout/ Guide units as and when they take up teaching after completion of their present training course. The certificate will also be helpful to both the pupil teachers and the internal examiners in evaluation.

In order to provide quality training, the programme has been designed in such a way that Pupil Teachers will get an opportunity to interact and share responsibility, and will also be able to learn and practice useful life Skills.

It goes without saying that the college will have to identify one/ two of the Teacher Educators to attend the **three - day Introductory Course** alongwith the student teachers, so that he or she may be given the responsibility of working as unit leader, with a view to carrying out the various activities related to Scouting and Guiding after the three day training.

Each trainee will be required to pay a sum of Rs.30/- on account of individual Registration and Training registration fee to the State Headquarter of the Haryana State Bharat Scouts & Guides. Needless to say that the pupil teachers would require Scout/Guide scarf for undergoing the proposed training course.

You may intimate the dates alongwith the number of student teachers (D.Ed & B.Ed) at the earliest for organizing the proposed **introductory course** for your college, so that we may plan our programme accordingly.

With Scout Greetings,

Yours sincerely,

Hony. State Secretary
