Sub: Videography of the proceedings of the Selection Committee.

Sir/Madam,

I am directed to inform you that it has been observed many times that complaints are made with allegations of nepotism and biasness during interviews by members of the Selection Committees in which University Nominees and Subject Experts are appointed by the University on the request of the Institution concerned. In quite a few instances they have to extend justification on various points of the proceedings of the Selection Committee despite their having followed the rules and conducting the interviews in an impartial manner. Keeping the above facts in view, it has been decided by the University Administration that to avoid occurrence of such unpleasant situation the entire Selection Committee proceedings be recorded in camera so that there is complete transparency in the selection and there is no scope of leveling of such allegations against the academicians on any false pretext.

Accordingly, proper videography should be done while conducting interviews on various Teaching / Non-Teaching posts in affiliated colleges. After taking interviews, one CD of the same may be handed over to the 1st Vice-Chancellor's nominee who will submit the same alongwith the proceedings of the Selection Committee for record in the University Office.

The above instructions must be complied forthwith.

Yours faithfully,

Incharge (Colleges)
for D.C.D.C
