

Tender Notice

The department Of Biochemistry, MD University, Rohtak invites sealed tenders for following items:

S. No	Name	Specifications	Qty
1	-80°C, Deep Freezer	Vertical, 450 Ltr capacity or above, With 4-5 hr (online/offline) Backup system and required accessories, Digital Temperature controller, Temperature range upto -85C.	1
2	Refrigerated Table Top Centrifuge	With rotor change options, rotor for 2ml, 50 ml, 100 ml, temperature controller, working temp: 0-37°C, centrifugation speed upto 13000 - 14000 rpm with 50ml rotor	1
3	UV Visible double beam spectrophotometer	Options for enzyme kinetics, Continuous spectra analysis, high accuracy and resolution (1nm), working range 190-1100nm, Absorbance -3.0 to 3.0, with Window compatible operating system, with all required accessories	1
4	Orbital shaker incubator	Can accommodate atleast 12 -250ml clamps, Germicidal tube, operating temperature form 15°C to 60° C, rpm 50-300, adjustable Clamps platform, Clamps for 100ml, 250 ml, 500ml, 1 liter,	1
5	PCR Machine	96 well, Gradient option, for 100ul and 200ul Tubes, temperature resolution upto 0.1C, heating/cooling rate 4.8 C per sec or higher, Block temp uniformity: ≤ ±0.3C, Hot Lid, Temp Range 4C to 100C. USB /LAN interface, Peltier technology	1
6	Refrigerators	>200 liter capacity, double door, In build power Stabilizer	2
7	Elisa reader	96 plate reader, adjustable wavelengths, fluorescence and luminescence detection system, working range: 340--800nm, wavelength resolution 1nm, with additional filter pair of Excitation: 355nm/Emission: 460nm, Excitation: 485nm/ Emission: 538nm for Fluorescence applications, Shaking and incubating options, With online/offline Operating system	1
8	Spectronic	Single beam in visible range, resolution 3-5nm, with cuvette	2
9	Ice Flaking Machine	Constant supply of ice, output 25Kg/24 hr or higher, runs of 220 Volt, auto cutoff regulator for water supply	1
10	Vertical autoclave	45 liter or more capacity, Double walled, With Temperature and pressure regulator	2
11	Ultra Sonicator	Probes option for 10ml, 50 ml & 200ml samples, sound proof cabinet having jack, adjustable output option, 400W or higher power, 20kHz or higher ultrasonic frequency, adjustable pulse on/off, programmability, total energy output display, temperature monitoring	1

Terms and Conditions:

1. The Tender should reach in the Department of Biochemistry **before 30th September, 5.00 pm and opened on 3rd October at 11.00 am.**
2. Only reputed/established firms, which are having three and more than three year existence and having a good number of installations throughout India with after sales service team, will be entertained.
3. Tender should comprise of Technical Bid and Financial Bid in separately sealed envelopes and put together in one sealed envelope marked Tender.
4. Earnest money equivalent to 2% of quoted amount should be submitted with tender in form of demand draft in favor of Finance Officer M.D. University, and Rohtak.
