9. Supplies shall be executed within the time specified in the supply order which may be extended by the XEN on the application of the supplier explaining reasons/circumstances due to which time limit could not be adhered to. In the event of the supplier failing to supply the material within time, he shall be liable to pay as compensation an amount equal to one percent or such small amount as the Registrar may decide on the said amount of the contract, for every day that the quantity remains incomplete, provided that the entire amount of compensation shall not exceed 10% of the total amount of contract. An appeal against these orders shall, however, lie with the Vice-Chancellor whose decision shall be final.
10. In case, the contractor backs out of his contract, the earnest money deposited by him shall be forfeited besides any other action as may be considered necessary by the Vice-Chancellor.
11. The quantity of material/supplies shall be subject to increase or decrease on the tendered rates. The contractor/supplier shall not be entitled for any claim due to increase/decrease in quantities of material.
12. The acceptance of goods is subject to the approval of the Inspection Committee.
13. The rates accepted by the University shall be applicable upto 90 days and the supplier shall have to make supply during the period as and when required.
14. If the rates are approved by the DGS&D and other Central/State Agency, the same must be quoted and the copy of the rate contract be attached.
15. All disputes subject to Rohtak jurisdiction.
