MESSAGE

Establishment of Maharshi Dayanand University, Rohtak, way back in 1976, was an important milestone in the development of higher education in Haryana which till then used to be counted among educationally backward states of the country. The University has taken long strides over the last 36 years, transforming itself from a residential University with only 11 colleges at the time of its inception into an academic monolith with over 459 colleges and institutes already affiliated to it. Although it was originally set up for the promotion of inter-disciplinary higher education and research in environmental, ecological and life sciences, but with the passage of time, many other emerging areas of knowledge have been brought into its fold. As of now, the University offers 84 undergraduate and postgraduate courses in 39 disciplines and permits pursuit of research in as many areas.

With its well-qualified faculty, effective administrative functioning and congenial academic environment, the University strives to further improve the standards of excellence in teaching and quality of research. To keep pace with the emerging challenges, review and upgradation of course curricula and reformation of examination system are continuously pursued. These efforts help us in holding examinations and declaring correct and complete results as per a predetermined schedule for which the University has won appreciation even from the State Government.

The University offers to its students, teachers and researchers excellent facilities including a world class library, ultra modern physical infrastructure, Wi-Fi campus, national and Inter-national linkages with reputed institutions/organizations, and ample avenues and opportunities for their all-round development. A truly pulsating campus life is the hallmark of the University. With all this and a special emphasis on quality of education combined with community-oriented focus, the University has grown into a responsible institution of higher education with social concerns. We are, thus, committed to empower our students with knowledge, skills and vision to meet the challenges and opportunities of a rapidly changing world.

We welcome all those hard working young men and women who keenly desire to pursue quality higher education and research to join this University, and assure them that our exquisite campus will meet all their legitimate needs to fulfill their ambitions in life.

THE UNIVERSITY

Prolegomena

Maharshi Dayanand University, ab initio established as Rohtak University, Rohtak, came into existence by an Act No. 25 of 1975 of the Haryana Legislative Assembly in 1976 with the objective to promote inter-disciplinary higher education and research in the fields of environmental, ecological and life sciences. It was rechristened as Maharshi Dayanand University in 1977 after the name of a great visionary and social reformer, Maharshi Dayanand. It had a unitary and residential character in its nascent stage, but became an affiliating University in November 1978. The University secured the recognition of University Grants Commission – the higher education regulatory body of India - for central Govt. grants in Feb. 1983.

The University is located at Rohtak in the state of Haryana - about 75 kms from Delhi on Delhi-Hisar National Highway (NH-10), and is about 240 kms from Chandigarh, the State Capital. It is well connected both by rail as well as road. Rohtak is the education hub of the State with excellent facilities for education in all fields of knowledge.

The University campus, spread over an area of 665.44 acres, is well laid with state-of-the-art buildings and magnificent road network, and presents a spectacle of harmony in architecture and natural beauty. Educational and research programmes are offered through its 38 departments. There are as many as 12 Teaching Blocks, 10 Hostels with another 10 in the offing, an elegant Vivekananda Library with 6 off-shoots, the majestic Tagore Auditorium equipped with modern gadgetry and amenities, spectacular Students Activity Centre, Campus School, Health Centre, Faculty House, Sports Stadium, Swimming Pool, Multipurpose Gymnasium Hall, Community Centre, Printing Press, Canteens, Shopping Complex, and an Administrative Block. About 550 residential units are available for the faculty members and non-teaching staff. There is a very robust Campus Wide Network – an amalgam of cable and wi-fi technologies, with 1 Gbps internet connectivity. A serene 'Yajanshala' addresses the spiritual and health needs of the campus community. Branches of State Bank of India and Central Co-operative Bank are the other facilities available on the Campus.

Besides, the University runs some programmes through its Indira Gandhi P.G. Regional Centre, Meerpur (Rewari) and University Institute of Law & Management Studies (UILMS), Gurgaon. The Regional Centre offers nine P.G. Programmes, while UILMS offers three.

Over 500 Institutions/Colleges of general education, Engineering, Technology, Computer Sciences and Management Sciences located in 10 districts of the State are affiliated to this University.

University Library System

The University Library System comprises a central library named as Vivekananda Library and five satellite libraries - Management Library, Engineering Library, Maths Library, Law Library, and Hotel & Tourism Library. Strategically located, the Vivekananda Library with excellent state-of-the-art computer facilities and cosy furniture is housed in a magnificent 3-storeyed building with 84000 sq. ft. carpet area and a seating capacity of 963 with another 14000 sq. ft. carpet area and 315 reading seats in its five offshoots. The library system, with the elegant Vivekananda Library in the vanguard, provides support for the academic and research pursuits.

The Library has a rich collection of knowledge resources – 2,86,861 volumes of books including 14,524 theses, and 47,645 bound volumes of journals. Besides, 553 Indian and foreign journals are subscribed in print form. Online access is provided to 5300 e-Journals

through UGC- Infonet facility, 100 Open Access Journals, SCOPUS-an Elsevier database of abstracts from about 18,000 science and social science journals, e-Emeralds Management Plus-a full text database, and MLA Bibliography.

All the functions of the library – check-out check-in, catalogue, serials system, and acquisition system - are automated. All the divisions/sections of the library have their own PCs for data entry and other routine jobs. The Vivekananda Library maintains the Campus Network, IP-based telephony system and university website. The library has its own Internet with a connectivity to the Campus Network for providing access to its own databases such as OPAC and e-resources. Information Kiosks are in place for accessing the online catalogue and other databases of the library. The air-conditioned Internet lab of the Library, having 70 Internet connected computer terminals with a bandwidth connectivity of 1 Gbps, provides access to e-journals and other e-resources.

The multimedia library has 20 PCs and headphones each and provides facilities for watching audio/video CDs on a variety of subject and Internet surfing. One-to-one videoconferencing facility, wrapped around state-of-the-art e technology, is another service which the Library provides. Application of RFID technology for check-out check-in and CCTV for library security are just three months away.

Open Access System, in vogue in the library system, presents an environment for the library users to have unhindered access to the learning resources, and inspires them to make use of library services. The students, teachers and other employees of the University are issued bar coded library cards for entry to and borrowing books from the library to promote the library use. The Library has a Readers' Services Division including a Reference Desk, headed by a senior library professional, to help the library users. Photocopying service is another step towards bridging the gap between the knowledge seekers and the knowledge resources. Library organizes awareness and orientation programmes from time to time to sensitize and educate the library users to understand knowledge organization in the library, know their privileges, and acquire skills to use Public Open Access Catalogue (OPAC), conduct literature survey, trace information from information sources and use e-resources. The University invests over Rs.240 lacs annually on the enrichment of knowledge base, besides having substantial recurring and non-recurring budget for other library activities including upgradation of existing facilities.

Computing and Internet facilities

The University has a robust state-of-the-art Campus Network. It is wrapped around OFC and wi-fi technologies. All the departments/offices/hostels are linked to the Campus Network. The University has a Computer Centre for the benefit of students, research scholars, teachers and other staff. The Computer Centre conducts computer awareness programmes for the staff from time to time, and facilitates analysis of research data of the research scholars. Besides the central facility, majority of the departments have their own computer labs.

Sir,

I am directed to invite your attention to Haryana Govt. letters on the subject noted above vide which the instructions were issued regarding simplification procedure for obtaining the certificate of Domicile for the purpose of admission to educational institutions (including technical/medical institutions). The matter has been reconsidered in the light of judgement delivered by the Hon'ble Supreme Court of India in the case of Dr. Pardeep Jain Vs Union of India and others reported as AIR 1984-SC-1421, wherein it has been held that instead of word 'Domicile', the word 'Resident' be used in the instructions issued by the State Government, and it has been decided to revise the Government instructions. Henceforth the following categories of persons would be eligible for the grant of Resident Certificate:-

- i) Candidates who have passed the examination qualifying there for selection in an institution from a school/college in Haryana;
- ii) Children/wards (if parents are not living)/dependants:
 - a) of the regular employees of Haryana State posted in or outside Haryana State or Working on deputation;

I am directed to invite your attention to the subject mentioned above and to state that following the Supreme Court judgement in the Indira Sawhney and others versus Union of India case, the Haryana Government vide notification dated 12.10.1993 had set up the Haryana Second Backward Classes Commission. The terms of reference of this Commission were to entertain, examine and recommend upon requests for inclusion and complaints of over-inclusion and under-inclusion in the list of Backward Classes. In its report submitted on 16.5.1995, the Haryana Second Backward Classes Commission had recommended the criteria for excluding socially advanced persons/sections (Creamy Layer) from Backward Classes. Subject :- Reservation of posts for Scheduled Castes, Backward Classes under the services of Haryana State.

Sir,

I am directed to refer to Haryana Government letter No. 22/55/90-3GS-III, dated 9-11-1994 on the subject noted above, which, *interalia*, laid down that for the purpose of reservation in services, Scheduled Castes in Haryana would be put in two categories i.e. Block A and Block B in direct recruitment. These instructions had been challenged in the Hon'ble Punjab & Haryana High Court by way of Writ Petition 398 of 2004 - Gajay Singh Muwal Vs. State of Haryana and other 3 Civil Writ Petitions. The Hon'ble Court, vide its common judgment/orders dated 6-07-2006, has quashed the above instructions dated 9-11-1994 in the following terms:

"We, accordingly, find that the present controversy is fully covered by the decision of Supreme Court in the case E.V. Chinnaiah's case (Supra). We, accordingly, would quash the Notification No. 22/55/90-3GS-III dated 9-11-1994 holding the same to be *ultravires* of the Constitution."

The State Government has filed a Special Leave Petition CC No. 1789 of 2007-State of Haryana Vs. Gajay Singh Muwal alongwith an application for staying the operation of the judgment/orders dated 6-07-2006 of the Hon'ble High Court in the said case. Similar SLPs have been filed by some private respondents also. However, these SLPs have neither been listed for hearing nor any stay has been granted by the Hon'ble Supreme Court in India so far.

Under these circumstances, the State Government on reconsideration of the matter, has decided to withdraw instructions bearing No. 22/55/90-3GS-III dated 9-11-1994 subject to the final decision of the Hon'ble Supreme Court in the SLPs referred to above. Consequently, there will be no categorization of the Scheduled Caste into A and B blocks. The vacancies meant for direct recruitment to reserved category of Scheduled Castes will be notified to the recruiting agencies without categorization of Scheduled Castes in A & B Blocks.

Similarly, the Govt. instructions bearing No. 22/34/98-3GS-III dated 19-3-1999 and even number dated 5-5-1999 and letter No. 22/89/97-3GS-III dated 7-08-2000 regarding admissions in Govt. as well as in Govt. aided/self- financing/ Educational/Professional/Medical/Engineering/ITIs/Technical Educational Institutions and colleges will be deemed to have been modified to the extent indicated above.

It is requested that these instructions may be brought to the notice of all concerned for strict compliance.

Yours faithfully,

Sd/-
