It is a multi-faculty, affiliating-cum-residential University running a variety of programmes in basic Sciences, Bio-Sciences, Medical Sciences, Pharmacy, Management, Physiotherapy, Arts, Commerce, Social Sciences, etc., and is providing learning opportunities to more than 1,63,259 regular students and 63340 distance learners spread all over the country. The university has It has 36 departments and 11 faculties.

ABOUT UIET AND DEPARTMENT OF BIOTECHNOLOGY

The University Institute of Engineering & Technology (UIET), M.D University Rohtak was established in the year 2005 with the aim of providing quality technical education in the emerging fields of Engineering & Technology. U.I.E.T has become a preferred destination for B.Tech, M.Tech & PhD aspirants because of its good infrastructural/labs facilities and excellent faculty. The new building of UIET is having all the modern teaching aids and facilities for students and teachers for improving their academics and research potential.

The Department has a well qualified and experienced faculty. The Strength of the Faculty in the department is all faculty members have Ph. D. Degrees in Biotechnology. The Department also encourages its students to engage in extra-curricular and co-curricular activities, essential for development, nurturing of team spirit, and developing organizational skills. The faculty members of the department are actively engaged in research & extension activities and a number of sponsored research projects are in progress. The department has organized a number of conferences/ seminars/ expert lectures in emerging and thrust areas in Biotechnology in the past. This STTP programme is another endeavor in the dissemination of knowledge.
