ABOUT THE WORKSHOP

Vivekananda Library, Maharshi Dayanand University, Rohtak is organizing one-day Author Workshop in collaboration with Elsevier Publishing Group at university's Radhakrishnan Auditorium on November 18, 2016, Friday. The Workshop will focus on variety of areas related to journal publishing world, beginning with the conceiving idea, shaping the idea into the manuscript, writing the title, abstract, the covering letter, publication ethics and also how to handle peer-review comments till the final submission. This Workshop will be beneficial for all faculty members and researchers and those are interested in getting their research published in international reputed publications. It will also enable them to exchange ideas globally and accomplishing recognition in the scientific publishing space.

The workshop agenda broadly engages in:

- **Planning and writing manuscripts for scientific journals**

This module will inculcate the sense of professionalism and how your contribution begets the world literature in your field and getting intimate with international standards for scientific communication.

- **Author support services**

This module will help authors in their publishing endeavours with all types of assistance includes manuscript making both for journals and books, designing front, body and back matters of a book, with finding commonness and differences in both print and online format.

- **Organizing bibliographical details**

This module will help the participants in organizing the bibliographical details while citing in-text and providing a reference to the source. Further it helps how Mendeley, an auto-citation manager in developing the researchers involved in world of citations.

- **Dealing plagiarism issues**

Plagiarism issues are as serious as carcinoma in the modern day academics, its avoidance not only elevate the academic status of a researcher but the university affiliation is also equally benefitted from it. The session makes you learn in brief, how to combat the plagiarism epidemic, before it engulfs us.
