Dean Students Welfare sponsored

One day workshop on

**Method Development Techniques in HPTLC and HPLC****[16<sup>th</sup> November 2016]****Department of Pharmaceutical Sciences,  
Maharshi Dayanand University,  
Rohtak – 124001, Haryana**

### About the University

Established in 1976, Maharshi Dayanand University, Rohtak is an important milestone in the development of higher education in Haryana. NAAC Accredited with Grade "A", the University has taken long strides over the last 36 years, as it offers 84 undergraduate and postgraduate courses in 39 disciplines and permits pursuit of research in as many areas. The University is currently encouraging inter-disciplinary higher education and research to spread knowledge to every strata of the society. It aims at creating an innovative, value-based, and research-oriented world class learning environment and establishing itself as a centre of excellence.

### About the department

Department of Pharmaceutical Sciences (Estd. 1995) now considered as one of the most prestigious institute imparting pharmacy education and research in India. Offering Ph.D., PG courses in five disciplines apart from UG course, it enjoys the status of most sought courses for admissions among the pharmacy aspirants. It is equipped with sophisticated instruments like HPLC, HPTLC, GC, TGA analyzer, DSC, spray dryer, Lyophilizer etc. Apart from teaching the department is actively engaged in research activities with research projects funded by UGC, AICTE and AYUSH etc.

### About the workshop

Now a day, the research findings in the pharmaceutical sciences are to be supported with analytical results. In order to accomplish this, researchers are in a need of operating knowledge of sophisticated instruments like High Performance Liquid Chromatography (HPLC), High performance Thin Layer Chromatography (HPTLC) etc. The proposed workshop aims to give hands on training to Scientific Researchers to analytical techniques like HPLC and HPTLC.

## Registration form DSW Sponsored One day workshop on Method Development Techniques in HPTLC and HPLC 16 November, 2016

Name: Prof./Dr./Mr./Ms. \_\_\_\_\_

Sex: Male / Female

Designation : \_\_\_\_\_

Institute/Organization: \_\_\_\_\_

Contact Address: \_\_\_\_\_

Tel / Mob. No: \_\_\_\_\_
