

# MAHARSHI DAYANAND UNIVERSITY, ROHTAK

(A State University established under Haryana Act No.25 of 1975)  
NAAC Accredited 'A' Grade

## OFFICE ORDER

It has been observed that cases with financial implications are being finalized without getting the same routed through the Registrar. Resultantly, there are certain instances where the concerned offices have failed even to deduct the compulsory tax/Service Tax from the concerned firms/ institutions. Thus, the Audit Paras are being raised by the Local Audit Department, Haryana and AG (Audit), Haryana and CAG, Govt. of India.

Moreover, Goods and Services Tax has been introduced by the Govt. of India w.e.f. 1<sup>st</sup> July 2017 onwards. There is every possibility of mis-calculations/ deduction on GST on the services/ supplies/ any other purchases etc. etc. To avoid such a situation, it is all the more important that such cases require specific examination from the Account Branch where the GST Section is being created for the purpose.

All concerned Officers are directed to route all cases bearing financial implications through the Registrar so that the same may be got properly examined and unwarranted situation may be avoided in future. Any Officer who defies the above instructions shall be solely responsible for the audit observations and the recovery, if any, shall be made from him/her.
