Dear Sir/Madam,

"Know Your College (KYC)" portal is the long-term vision of Hon'ble Prime Minister Mr. Narendra Modi for creating an appropriate framework for the students seeking various information about the educational institutions from a single window instead of looking for different websites.

Accordingly, Ministry of Human Resource Development has launched the "Know Your College (KYC)" portal which will act as one-stop shop for students and their parents across the country to help them make an informed decision on the choice of institutions and the courses. It seems that many institutions have not uploaded the data about their respective institutions on the portal. The data uploaded on the portal need to be clear and accurate.

Keeping in view the importance of the KYC portal, I seek your personal indulgence in the matter and request you to kindly upload the accurate data about your esteemed Institution on "KYC" portal which should be updated periodically and also ensure the same in your affiliated institutions and help the Government in successfully achieving this student-friendly initiative.

With regards,

Yours sincerely,

(Jaspal S.Sandhu)
