MAHARSHI DAYANAND UNIVERSITY, ROHTAK
(A State University established under Haryana Act No. XXV of 1975)
'A' Grade University Accredited by NAAC

About Our University

Maharshi Dayanand University, *ab initio* established as Rohtak University, Rohtak, came into existence by an Act No. 25 of 1975 of the Haryana Legislative Assembly in 1976 with the objective to promote inter-disciplinary higher education and research in the fields of environmental, ecological and life sciences. It was rechristened as Maharshi Dayanand University in 1977 after the name of a great visionary and social reformer, Maharshi Dayanand. It had a unitary and residential character in its nascent stage, but became an affiliating University in November 1978. The University secured the recognition of University Grants Commission – the higher education regulatory body of India - for central Govt. grants in Feb. 1983. The University is located at Rohtak in the state of Haryana. The University campus, spread over an area of over 665.44 acres, is well laid with state-of-the-art buildings and magnificent road network, and presents a spectacle of harmony in architecture and natural beauty. Educational and research programmes are offered through its 36 departments. There are as many as 10 Teaching Blocks, 10 Hostels with another 10 in the offing, an elegant Vivekananda Library with 6 off-shoots, the majestic Tagore Auditorium equipped with modern gadgetry and amenities, spectacular Students Activities Centre, Campus School, Health Centre, Faculty House, Sports Stadium, Swimming Pool, Multipurpose Gymnasium Hall, Community Centre, Printing Press, Canteens, Shopping Complex, and an Administrative Block.

About the Institute

The Department of Business Management established in 1976 assumed the status of the Institute of Management Studies and Research (IMSAR) on September 27, 1993. Quality, content and process of management education is basically determined by an approach of constant innovation and adaptation to the rapidly changing socio-economic environment, in particular. Over the last more than three decades it has emerged as a widely recognized centre of excellence in management education and research. In a span of 33 years, IMSAR has produced around 2000 management graduates, who are holding key positions in corporate world both in India & abroad. A large number of them are steering the public enterprises and many of alumni have proved their mettle as successful entrepreneurs. A large number of its alumni with entrepreneurial talents have set up their own enterprises generating employment opportunities for others. It has produced a large number of management doctorates which have made a mark in the field of academics.

About Conference

India is emerging as one of the strongest economic powers of the world. The reforms that have been affected over the few years have been guided by market developments to make the financial sector better equipped to face the challenges posed by the changing business environment. In the light of this, the proposed conference will invite the contributions of the academia and the research scholars in the field of financial sector pertaining to its growth, reforms and the impact of various policy changes.

This conference provides an opportunity to have an exposure in capital market. It would serve as a common platform to discuss the issues, problems and challenges related to financial sector. It would enhance understanding of Indian and international issues in a comprehensive manner. The conference would provide insight into Indian capital market from different perspective of Industry leaders and Renowned academia.
