Respected Sir,

This is to bring to your kind notice that I, Meenakshi Sharma nee Sridhar, am a research scholar (Regn No. 10-RUR-5250) registered under Prof Nasib Singh Gill in the Department of Computer Sc & Applications. I have already submitted my Ph.D Thesis in the Department on 21st May, 2018. Since my husband got transferred to United Kingdom, I (after submitting my Thesis) joined him in United Kingdom along with my family for 1 year. I have been advised to appear for final viva by the Department, since I have traveled to UK last month only, it is very difficult for me to return back along with my children to appear for the viva in person. Therefore, I request you to kindly conduct my final Viva Examination using video conferencing.

I shall be highly grateful to you for this act of kindness of allowing me to appear viva using video conferencing.

Yours Sincerely,
Meenakshi Sharma nee Sridhar

Subject: Request for online viva-voce presentation for Ph.D.

Respected Madam,

Most humbly it is stated that I submitted my Ph.D. thesis, titled " Food Security in India: Issues and Challenges" under the guidance of Prof. Kavita Chakravarty, on August 11,2017. Now I am in United States of America for my Ph.D. (Finance) with University of Texas at Arlington. I do not have any vacations till next year so I can not visit India in the mean time. You are therefore requested to allow me for online viva-voce presentation.

I undertake the responsibility of any financial burden accruing to the university for presentation arrangements.

Thanks and Best Regards
 Pratima
