ABOUT THE UNIVERSITY

Maharshi Dayanand University, Rohtak, is one of the India's Premier Research and Teaching Universities and has been rated by NAAC as an 'A' Grade University and 44th rank by NIRF. The University came into existence by an Act No. 25 of 1975 of the Haryana Legislative Assembly in 1976 with the objective to promote inter-disciplinary higher education and research in the fields of life sciences. The University is located at Rohtak in the state of Haryana - about 75 kms from Delhi on Delhi-Hisar National Highway (NH-10), and is about 240 kms from Chandigarh, the State Capital. The University's eco-friendly campus is spread over an area of over 665.44 acres, well laid with state-of-the-art buildings and magnificent road network, and presents a spectacle of harmony in architecture and natural beauty. It has 36 Departments, 10 Teaching Blocks, 20 Hostels, an elegant Vivekananda Library, the majestic Tagore Auditorium, Students Activities Centre, Health Centre, Faculty House, Sports Stadium, Administrative Block, Wi-Fi enabled campus.

ABOUT THE CONFERENCE

Globally, we are at a challenging time in the development of humanity; we have learnt that our current way of living is not sustainable and that unless we make radical changes, future, even current generations, will be significantly and adversely affected. The aim of the conference is to grapple the implications of this situation with a myriad of terms and concepts to express a vast array of perspectives, priorities and approaches to address the critical global environmental issues.

Conference will have a key note lecture followed by oral presentation by the invited international speakers and oral/poster presentation by the selected participants.
