

**Department of Music**  
**Maharshi Dayanand University Rohtak**  
**(NAAC Accredited 'A' Grade)**

**Strategic Plan (2018-2023)**

## About the Department

The Department of Music came into existence in 1982. It offers M.A. (Vocal & Instrumental), M.Phil.(Vocal & Instrumental), Ph.D and two evening Diploma Courses i.e. One Year Diploma in Tabla and One Year Diploma in Harmonium. Music being a performing art, emphasis is laid upon Oral Tradition within classroom teaching. Eminent experts are invited regularly to share their knowledge with the students. We have the proud privilege of having reputed artistes, both in the past and at present, in our teaching faculty, who have been a guiding force for our students. No wonder, quite a few of our alumni are performing artistes with Radio and TV grading, while others are placed in eminent positions in various universities, colleges and many government and private organizations.

## Vision

The Department of Music maintains a commitment to increasing its cooperative links with the local community of musicians and music educators, while expanding its vision of a curriculum with a strong multicultural base, reflecting an increasingly diverse student body. The Department of Music, in providing fine arts education as part of a comprehensive general education, will promote the University's tradition of a strong liberal arts education. The Department of Music intends to seek to foster a society that values music both as part of a universal education, and as an essential expression of the human experience and spirit.

## Mission

Music provides a dynamic learning environment that stimulates the highest standards of research, innovation, and leadership in music composition, teaching, performance, technology, education, and advocacy. The department intends to create an environment that is that will foster meaningful cultural experiences in the performance, understanding, and appreciation of the discipline and art of music. Department will emphasize on excellence in interdisciplinary research to produce highly skilled manpower through:-

- educating a culturally and economically diverse student body, with sensitivity to the musical backgrounds of all students;
- training music educators at the primary and secondary levels;
- providing continuing education for teaching professionals seeking to satisfy certification requirements;
- preparing students for music studies at the graduate level;
- providing all undergraduates the opportunity to experience music through performance and academic study;
- serving the community as a resource in the discipline of music;
- forming partnerships with musical organizations in the community;

## Strategic Goals

-  Promote the highest levels of human aspiration and artistic integrity through the composition, documentation, and performance of music.
-  Develop an analytical, creative, and intuitive understanding of music as a cultural language.
-  Afford students opportunities for cultural and aesthetic experiences through active participation in music, enhance their understanding and appreciation of the arts, and foster interaction between music and the liberal arts.

- ✚ Enrich the campus and the region through concerts, workshops, and other public events, and provide opportunities for traditional and contemporary musical expression by students, faculty, guest artists, and members of the community.
- ✚ Promote and support student research and collaborations, often conducted jointly with faculty through publications and performances.
- ✚ Provide opportunities and guidance to prepare our students for a professional life in music through mentorship, internships, entrepreneurial experience, and training as educators.
- ✚ Promote diversity among our faculty and students.

## SWOC Analysis

### Strength:

- Qualified, experienced and dedicated Teaching faculty
- Student centric functioning with mentoring, counselling and effective academic monitoring
- Research promotion among Post graduate students through research based Dissertation

### Weakness:

- Department does not have its own recording lab.
- High student-teacher ratios in Theory as well as in practical

### Opportunities:

- Excellence in Research and teaching
- Active carrier counseling to improve students' employability.
- Development of State in Art Research facility.

### Challenges:

- Uninspired & non directional input students
- Networking and strengthening relationship with stakeholders
- Research training of students due to limited space and teaching faculties

## Action Plan

### Academic Year 2018-19:

- ✓ Every year Department will arrange different training workshops to train teachers as well as students on new techniques and mediums of audible expression.
- ✓ Invited Talks, Extension Lectures will be arranged every semester to give exposure to the students.
- ✓ Department is trying to make digital learning facility available in the department to improve the quality of education.
- ✓ The Department has introduced topics like Recording of Musical Instruments and Recording Technology in the syllabus which would increase the employability/placement of the students
- ✓ Department will organize events or field trips for the students to visit various singing competitions .
- ✓ Liaison with Alumni: Connect with the alumni who are in the job/ industry and ask them to arrange on-campus placements.
- ✓ We have included new ways of audible expression in our syllabus.
- ✓ Encouraging the students for doing their own SWOT analysis and guiding them to minimize the weakness part.

- ✓ Conducting the Group discussions on regular basis to brush up the skills of the students
- ✓ The Department of commits to conduct academic audit by academic experts every year.
- ✓ Identification of thrust research areas.
- ✓ Establishment of a process for efficient documentation of departmental activities, students & alumni database, research outcomes etc.
- ✓ Students would be encouraged to choose relevant regional & national topics for conducting research.
- ✓ National Conferences will be organized to give researchers a common platform to share and learn, depending on the availability of resources/budget.
- ✓ Latest facilities tools will be provided to the scholars as per requirements as per budget provided.
- ✓ Induction program will be conducted for the first year students of all the courses to make them aware about the University and Department.
- ✓ Tour will be organized for the students every year.
- ✓ To promote the Indian heritage and culture, different fests will be organized in the Department from time to time like Independence day, Holi celebration, Diwali fest etc.
